

# Make It Interactive

## STARTER PARTICIPATION LEVEL

---

This day-by-day plan is designed for organizations that may be entirely new to the conversation about mental illnesses, however, the Make It OK Kit is flexible so please review the additional items provided in the 3-ring binder and at [www.makeitok.org/interactive](http://www.makeitok.org/interactive) should you want to expand your campaign.

### Day 1

1. Send the following message to your group via email, intranet, or electronic bulletin board:

Make It OK is an anti-stigma campaign that was created to encourage individuals to talk more openly about mental illnesses. By breaking the silence, we can help our friends, neighbors, loved ones, and colleagues feel understood and supported.

**XYZ** wants to join this effort. That's why, as part of our upcoming annual Wellness **(Week/Month)**, we're launching Make It OK at **XYZ**. Just as learning about physical health or financial health has helped us create stronger families and a more caring environment, we believe that combating stigma will help us make **XYZ** a more supportive and accepting organization—and might even have a positive impact on our community at large.

Mental illnesses are surprisingly common. One in four Americans, from all walks of life, experiences a mental illness each year. But because of the stigma, most people live with their symptoms for 10 years before seeking treatment. This impacts not only those with mental illnesses, but their friends and loved ones, too. Mental illnesses are highly treatable; the sooner people get treatment, the greater their chances of recovery.

#### **LET'S LEARN TOGETHER**

With Make It OK we'll learn the facts about mental illnesses; myths, misunderstandings, and misconceptions; and about living successfully with mental illnesses, among other topics.

In the next **(week/month)** you can expect to see the following throughout our organization:

- Colorful flyers
- Table tents
- Make It OK pledge cards and stickers

Together **XYZ** can make it ok.

### Day 2 - See the Promotional Materials section of the Toolkit 3-ring binder

1. Hang flyers on bulletin boards, in office cubes, the back of bathroom stalls, in the cafeteria, in conference rooms, in the lobby, and near copy machines.

2. Place table tents on cafeteria tables, on conference room tables, on receptionist desk, in lobby area, etc.
3. Place Make It OK pledge cards in common areas.
