ARE YOU PASSIONATE ABOUT STOPPING THE STIGMA OF MENTAL ILLNESSES?

BECOME A MAKE IT OK AMBASSADOR

A Make It OK Ambassador is someone who has a passion for reducing mental illness stigma in their community. An Ambassador does not need to be an expert on mental illnesses, just someone who recognizes the need for increased understanding and creating caring conversations about mental illnesses through connecting, engaging and sharing the Make It OK message with others.

WHAT IS MAKE IT OK?

Make It OK is a community campaign to reduce stigma by increasing understanding and creating caring conversations about mental illnesses.
